Declare support for the Development, Relief and Education for Alien Minors Act – DREAM Act (Resolution)

WHEREAS, there are approximately 2 million children who were born outside the U.S., raised and educated in this country with no legal status, hold American values, know only the U.S. as home, and have the same dreams, goals and aspirations as other American children; and

WHEREAS, many of these children came to the United States due to their parents' actions and did not take part in any decision to come to this country; and

WHEREAS, The United States Supreme Court has determined that every state has a constitutional obligation to provide free public primary and secondary education, including the assurance of meaningful access to higher education, to all children residing within their borders regardless of their immigration status; and

WHEREAS, 65,000 undocumented students graduate every year from high school and are unable to work, drive, or attend college; and

WHEREAS, the lack of legal immigration status condemns these students to underemployment and instability and to unfulfilled potential; and

WHEREAS, undocumented students face overwhelming obstacles to accessing higher education, such as ineligibility for federal financial aid and having to pay out-of-state tuition in order to attend state universities despite their long-term residency within our country; and

WHEREAS, access to higher education will allow these students to reach their full potential by raising their level of esteem and making full contributions to our country's civic, political and economic well-being; and,

WHEREAS, Portland-based Graham Street Productions and El Grupo Juvenil, in association with Film Action Oregon, produced the documentary "Papers," in an effort to raise awareness about the challenges undocumented youth face as they turn 18 without legal status; and

WHEREAS, the DREAM Act is a bipartisan legislative effort to address this problem, supported by Senators Merkley and Wyden and Congressmen Blumenauer and Wu; and

WHEREAS the DREAM Act would allow most students with good moral character who came to the U.S. at age 15 or younger and meet certain security requirements to qualify for conditional permanent resident status upon acceptance to college, graduation from a U.S. high school, or receipt of a GED, with the opportunity to pursue legal permanent resident status; and

WHEREAS, Portland area students impacted by this legislation will have the opportunity to graduate from high school and college, fully contribute to the community and reach their highest

potential;

NOW, THEREFORE, BE IT RESOLVED that the City of Portland fully supports the passage of the DREAM Act; and

BE IT FURTHER RESOLVED, the City of Portland urges Oregon's Senators, and members of the House of Representatives to support the DREAM Act, and to encourage the President of the United States and other Congresspersons and Senators to vote for this legislation.
